Herzlich willkommen

We are a specialist boutique British manufacturer of luxury solid brass architectural ironmongery.

With a unique range of Collections dating back to architectural periods in the early 16th Century, including the original and iconic Princess and Constable Collections, we offer a uniquely extensive range of Period, Heritage and Modern Door Furniture made from the purest Brass all hand worked, polished and finished on site, in England.

We work with professional and private clients worldwide to create elegant architectural hardware for royal palaces, super yachts, stately homes and high specification private residences and hotels.

## Why Choose BrassArt

BrassArt is a long-standing brand name in the architectural ironmongery industry and there are many reasons why BrassArt leads the way in designing and manufacturing luxury hardware:

We are distinctly British; British materials, British components, all hand polished, finished and assembled on British soil.

-

We are a family run business with over 80 years of experience.

-

We manufacture high-grade solid brass luxury architectural ironmongery.

-

We use timeless techniques as well as modern manufacturing methods to create beautifully crafted pieces.

-

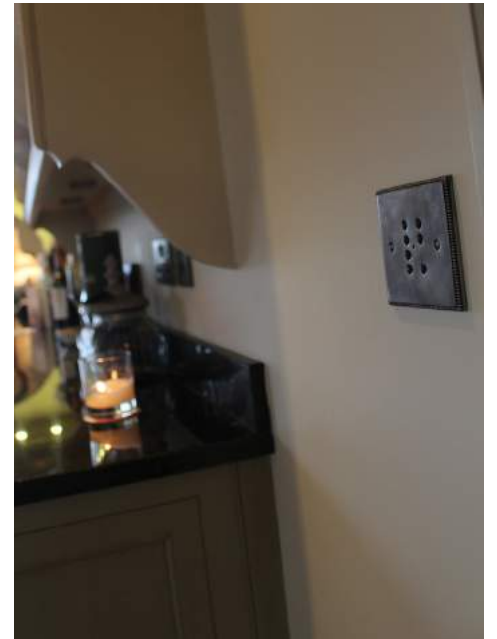

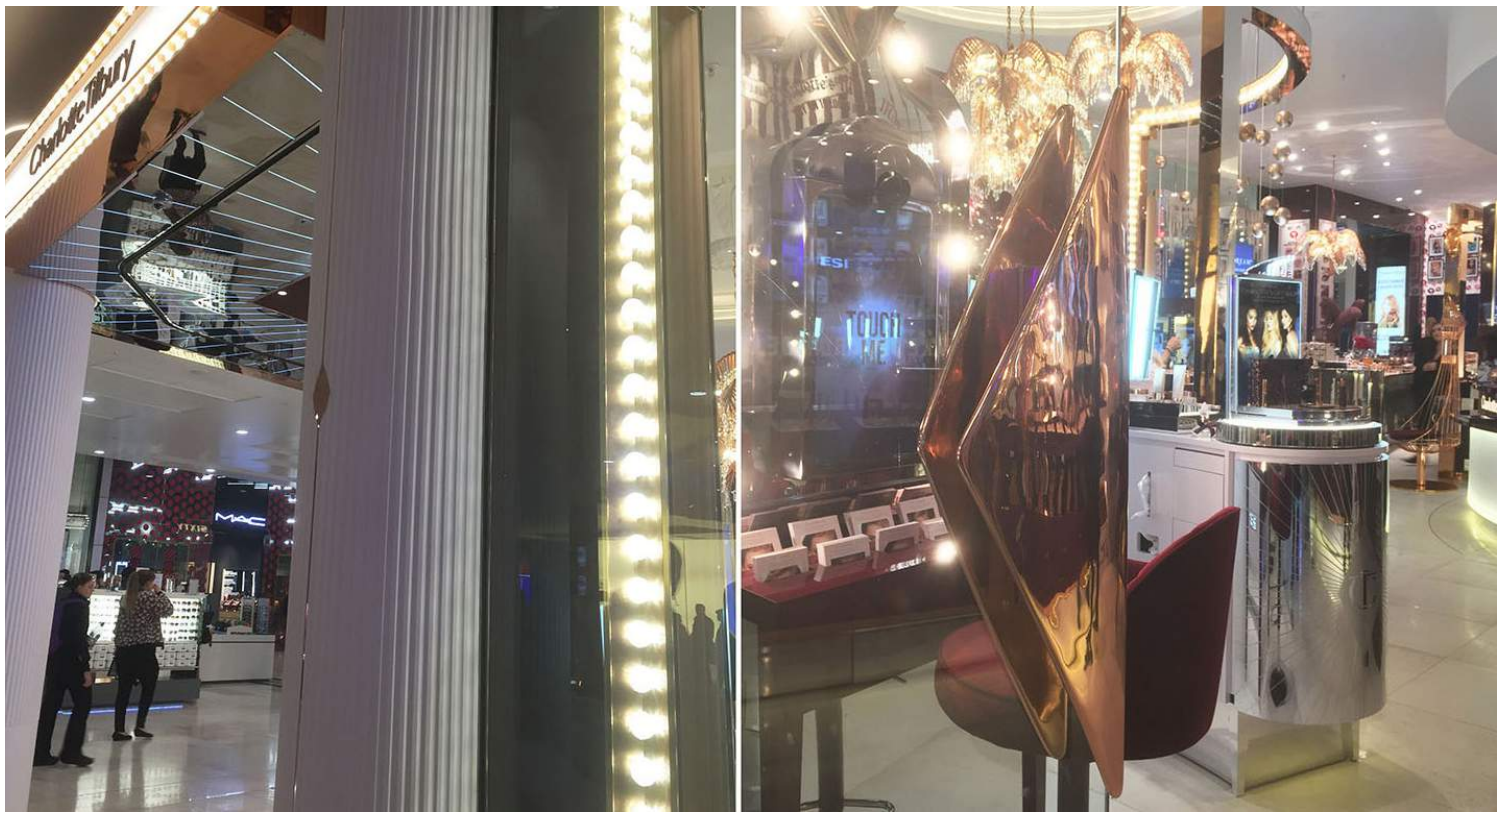

We cater to those with discerning taste requiring custom and bespoke hardware, often exclusive.

-

We offer a reproduction and restoration service for those who wish to reignite their hardware or re-create pieces of the past.

-

We have over 30 available electro-plated or living finishes to choose from including real gold.

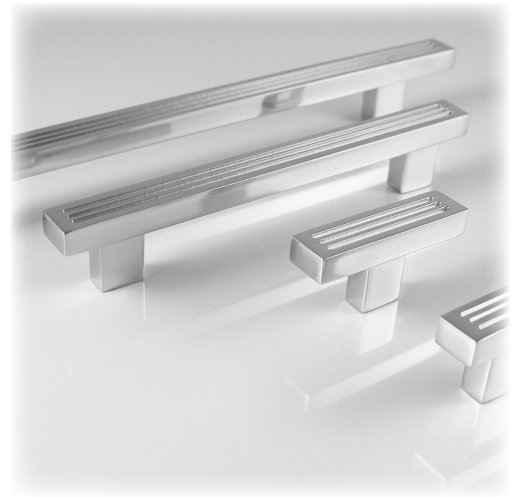

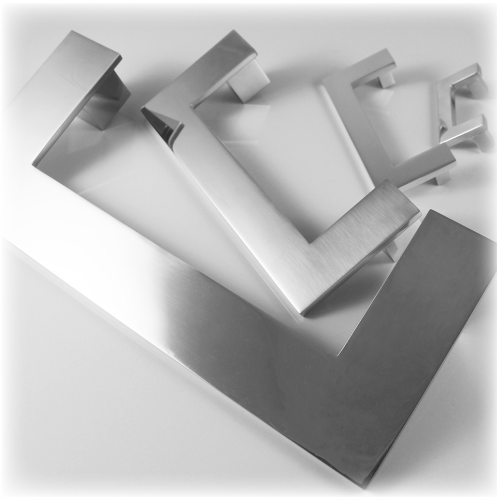

## *Who We Work With*

Our aim is to ensure quality luxury hardware is admired and appreciated worldwide. We work with a variety of partners to ensure your hardware needs are met.

Our partners include:

Architectural Ironmongers  
Interior Designers  
Architects  
Bespoke & High-End Manufacturers  
Designer Brands

We also work directly with elite clients by appointment only.

## *Our Products*

We manufacture a wide range of Architectural Ironmongery, including:

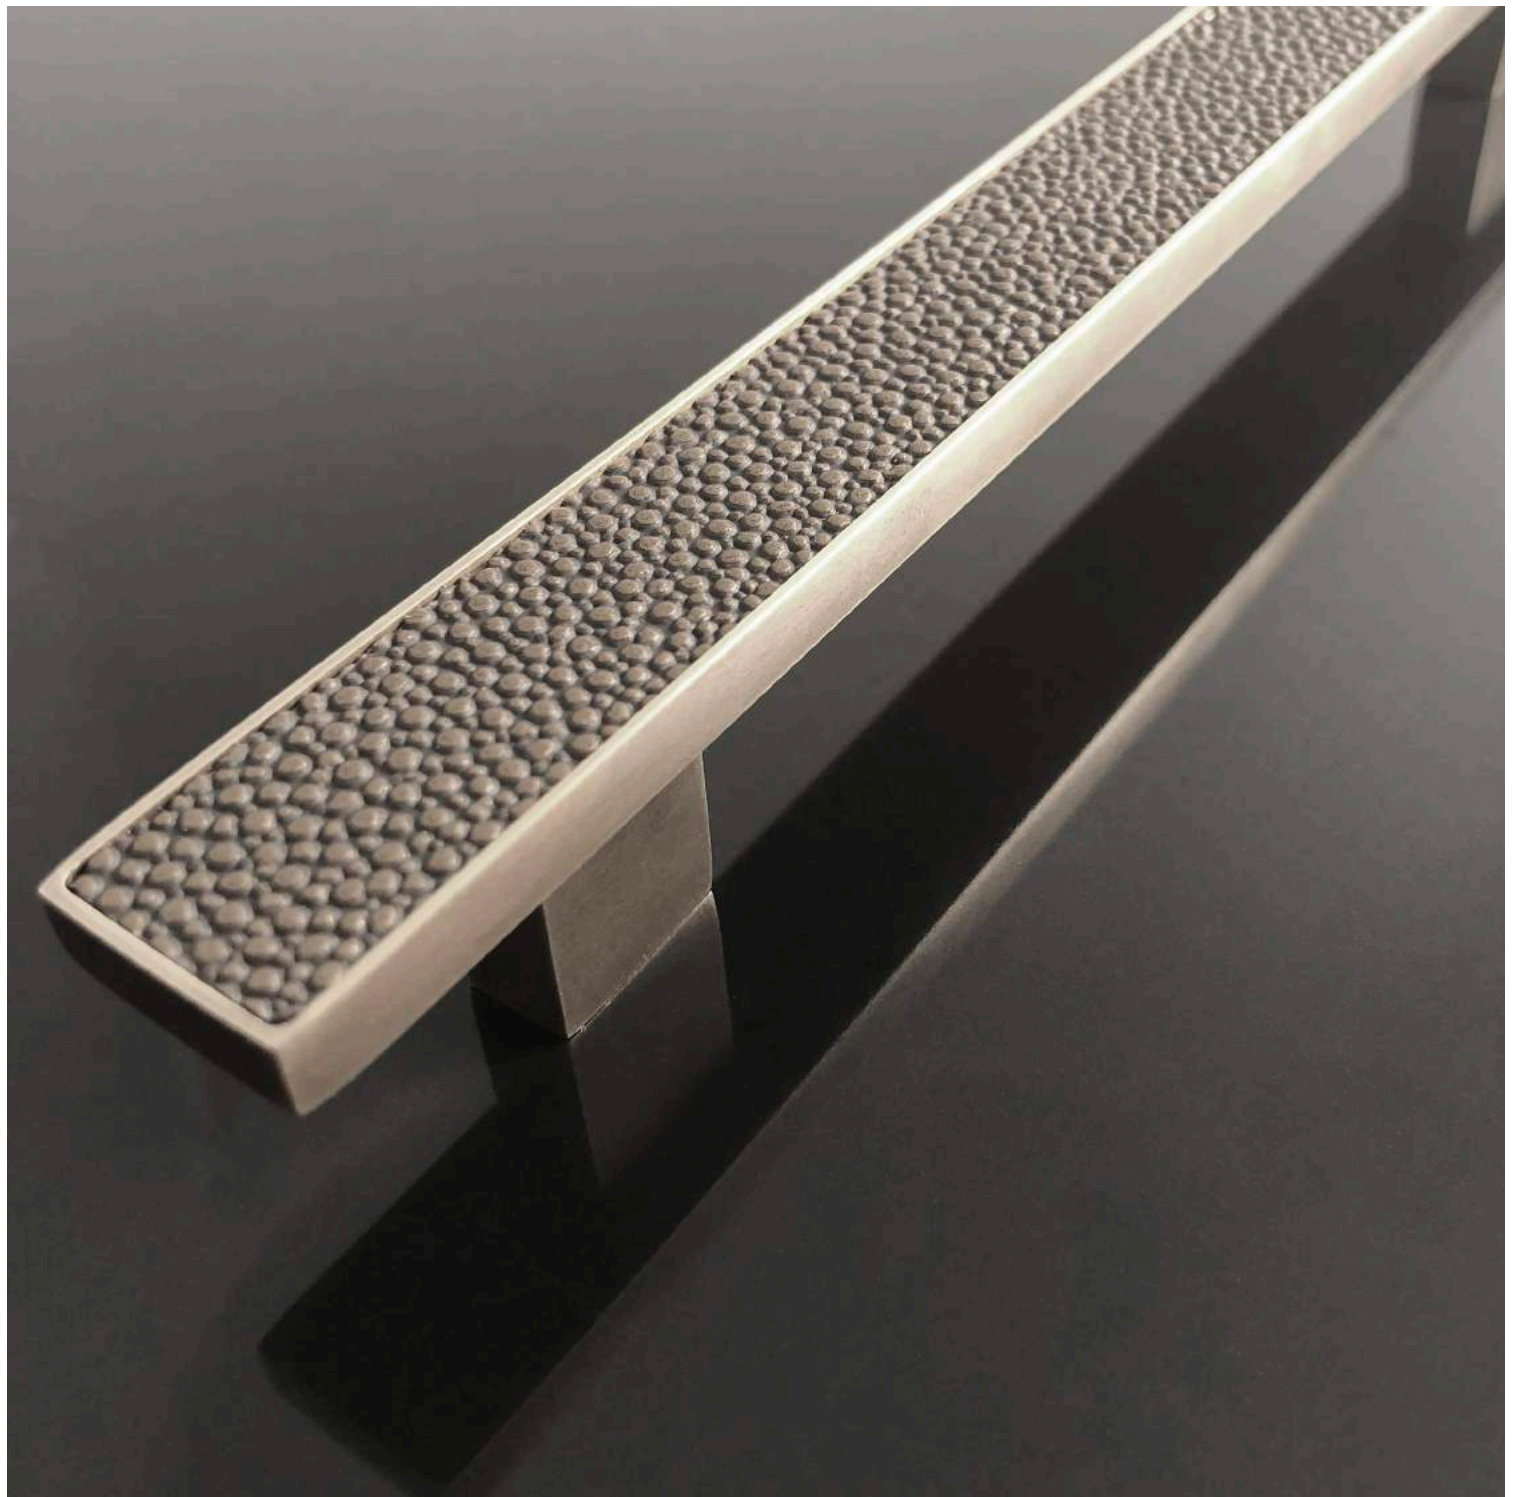

Entrance Door Furniture  
Cabinet & Furniture Hardware  
Door Handles  
Door Knobs  
Escutcheons & Privacy Hardware  
Door Pull Furniture  
Decorative Push Plates  
Window Furniture  
Door Bolts  
Bathroom Accessories

We also offer a Custom & Bespoke Service along with the ability to manufacture Electrical Accessories.

## *Our Collections*

We are in a privileged position to be able to showcase to you our range of period, heritage, classic and contemporary Collections including the original iconic Princess and Constable Collections.

All of our Collections make reference to a particular historical architectural style and include a number of product types, helping you choose the right finishing touches to your home.

## *Luxury Finishes*

BrassArt products are available in most of our luxury finishes.

We offer the standard electro-plated finishes such as Polished Chrome and Polished Nickel, as well as living finishes such as Antique Brass. You are also able to have your architectural ironmongery finished in real gold or silver!

## *Luxury Textures*

BrassArt are also now able to offer luxury textures and other materials in a 'pietra dura' style or directly on to brass.

# The Finishing Touch

We appreciate that selecting your architectural ironmongery can be challenging enough, that's why here at BrassArt we pride ourselves on manufacturing the finest quality solid brass hardware, which is made to last.

We like to think of our products as 'Jewellery for your Residence'.

We, along with our worldwide preferred partners, can assist with all of your requirements to ensure you make the right informed decision on selecting British made high-grade solid brass architectural ironmongery.
